The Lobo Class of '86 Class Reunion Survey

In case you've been living under a rock during the summer like I have, here's the announcement of the survey along with its link- A listing of the survey questions is on page 2 .

Greetings Classmates,

WHERE has the time gone? It's been almost 5 years since our last reunion and it's time to start planning our 30th class reunion. If you think you would like to host our 30th reunion then by all means let me know or if you have a suggestion then please e-mail: eastexaslobos1986@yahoo.com. If no one wants to take on the planning of the reunion, I will assume the responsibility.

In the mean time, I would like to hear what YOU think about a reunion cruise. There is a brief survey located at http://www.classcreator.com/Longview-TX-1986/class_index.cfm

This survey is intended to gather as much input from you on how to best serve your needs and make our 30th reunion better. All answers are confidential and only a tally of responses will be shared with other members. Please visit the survey page, login and fill out the survey. Thank you for your valuable time and help.

Regards,

LaTrenna Coss
