Critical Thinking Symbols were used because people v illiterate. Glovemaker: 4th row,col. 1; row, col. 5; Barber: 3rd row, col. 4	
Reading Progress Check Guilds set quality standards, fixed pr controlled the number of people ente	

Lesson 3	
England	
	census and taxation; common law; the Magna
	Carta; Parliament
France	expanded the newer of the menoraby: royal
	expanded the power of the monarchy; royal bureaucracy; Estates-General
Holy Roman Empire	
	brought Church under control; German lords
Reading Prograss Check	created independent kingdoms
Reading Progress Check	It is the date of William of Normandy's victory over
	the Anglo-Saxons, and the time when William
	initiated major changes in English government,
	language, and culture.
Critical Thinking	
	William's success indicates that a legal claim had
	to be supported by military force.
Reading Progress Check	
	He gained control of Normandy, Maine, Anjou, and Aquitaine, which increased the income and power
	of the French monarchy.
Reading Progress Check	
	German kings received the title of Roman Emperor from
	the pope, but they considered Rome the center of a "holy empire"
Reading Progress Check	
	After the caliphate's invasion of Spain much of the Iberian Peninsula remained under Muslim rule for nearly 500 years. Pockets of Christian
	groups in the north of Spain remained free of Muslim rule. These
	groups would form Christian kingdoms that would work to "reconquer" Spain for Christianity in the period known as the
	Reconquista.

Settling among the Eastern Slavic peoples, Vikings assimilated by marrying Slavic women.
