Yes God is calling roll. Losing two Uncles and one Aunt within two weeks is tough but I know my God. Please keep our families, Jones, O'Quinn, and Taylor/Harris, families in your prayers as we go through this time of bereavement.

Be aware of the fake news video floating around about Harvard professor selling the Corona virus to China. Facts matter.....

**What's True**  
 Professor Charles Lieber was arrested in January 2020 for misleading federal authorities about funds he allegedly received from Wuhan University of Technology (WUT) and his connections to a Chinese government-sponsored recruitment program.

**What's False**  
 Lieber's arrest had nothing to do with the novel coronavirus, nor was that virus "developed" or "manufactured" by anyone (in China or elsewhere).

Donnie Centers this is one of my prize possessions. I have literally lost everything I ever owned and through drugs and divorce . I managed to hang on to this . Larry Centers and I were not only teammates but friends from forest park to LHS . I blocked for those guys and sometime use this card and what I know about yours and Larry stories to encourage youngsters to not give up on themselves . I quit after jv year and holding a starting position from 3rd grade . I know now I traded my identity as an athlete for that of a user . I never wore that green hat and I know at least I could have got an education playing ball . We don't know that being in the " cool " crowd can likely cost us the rest of our lives

Just putting this out there! Attention United states Federal government you can keep your damn stimulus package! I want our free country back! Stop politicizing this Virus and fix it! Hurry up and reset this economy and put our country back to work! And my message to the American people: Buy local first! China doesn't give two shits about us! All other countries hate us! It's time for us to rise up! And if you are American and love our country you know where I'm going with this....

Deleese Entrop Bissett 1 hr

It's a BIG day in #bissettcovid-- No mud run today BUT some of us DID shower. 🙄

BUT... the Best part!!!! 🔥🔥🔥🔥🔥🔥

Our favorite middle son -- Hunter Bissett is 20 today and I'm guessing he was hoping to be spend it with his college friends and frat boys ---- instead,, he's got US... and the Cat KING guy (or whatever that is about)...

I'm hoping he likes veggies, party cake and theme wig night with masks to celebrate! #yeswewill

So, if you are connected to him in ANY way,, go blow up his social feed, send him a message, a fly-over if you can make that happen, but please stay back 6 feet whatever you do!

Hunter Bissett (instagram too of course!)

Love you more than you will ever know!!!  
YOU ARE MY SUNSHINE ...  
(your mud run and squat partner forever (MOM).. or til Brayden /Amy Watson Satterfield) is back with you in the gym...❤️

Okay, I'll join in with this pic some 30+ years ago!  
🇺🇸 I'm asking those who have served their community as a Police Officer/Deputy to join the challenge of posting a picture of yourself in uniform. Just a picture, no description. The goal is to flood FB with positive photos instead of negativity. Please copy the text to your timeline, put up a picture and look at some great memories! 🇺🇸

If anyone is not working/not getting a paycheck and runs out of food, I know times are just tough...please don't let your kids or yourself go to sleep with an empty stomach. Don't be afraid or embarrassed to send me a private message. I will be more than happy to share whatever food I have. I will drop and go and pretend it never happened!  
I was taught growing up that where one person eats, two can eat, too.

I wished one of my former students in Ukraine a happy birthday today and realized that they are all older now than I was when in Peace Corps teaching them. Hard to believe! They are all still just teenagers to me!

I've seen a lot of post regarding how much you all miss your Mexican food. I just place a tamale order from Maria's HotTamales. Best homemade tamales I've had in a long time. She also has rice, beans, tacos, quesadillas and hot sauce. She offers curb side delivery if you don't want to get out of your car. Give her a call for your Mexican food cravings. #supportlocalsmallbusiness
