Wow! All I can do is cry. This was almost 10 ft high in some places and when I rounded the corner and saw it yesterday my heart sank. This was my home for a few years after my grandmother died. 6 hours later and two men working tirelessly since sunrise, my heart has some peace. This is a start.....❤️❤️❤️

This is the first time I've had only one "first day of school" picture to post since 1999 (I guess that's officially before the turn of the century). Here's Whitney Troxel on the first day of her second year of teaching in Katy ISD.

Whatever your facing this Monday and any day , know you are not doing it alone. 🙏
I pray sincerely that if you are ever where you feel that you have failed yourself and others, you will reach out to me or someone. His has put us in each others lives because he knows what we need and who we need. I will never judge you, I will always love through the eyes of Jesus. ❤️🙏

Thank you Lord for allowing me to see another day and make it another year. I am truly grateful and blessed for everything I have and those that are in my life. With this pandemic, we must cherish the time we have on earth and everyone that is near and dear to us. I made it to see 53 years of life and to God I give all the praise and glory. Y'all be blessed and safe out there.

I'm so proud I committed to my own self care — and it's still working. I've completed 30-45 minute programs of ALL kinds: from meditation to HIIT, to yoga, some dance, a little MMA and currently I'm on week 4 of a mobility/strength focus. Here's how I do it: I walk upstairs or outside as soon as the kid gets off to school-or with the hubs on our personal schedule and we enjoy a superfood shake for breakfast or lunch. ... See More

Tracy Weeks I would like to take a second and brag on this woman ! When our paths came together broken is an understatement for both of us . I am so grateful God chose you for me . I know her storms , her heartbreaks , her disappointments and failures. I have watched her grow spiritually, set boundaries with people she loves dearly , I have held her while she cried because of the way those people have treated her . Our journey together has had ups and downs but we worked thro... See More
