So this is not the best audio quality because I was sitting "behind" the house speakers and right next to Jet's piano. But I think you can hear her well enough. I am proud of my daughter and how she uses her talent during worship! ❤️

Ok, everyone trying something new, to help me stay on this life changing course. I got this ziploc vacuum sealer system for Christmas and so far everything that was not resealable I have put in these bags and it has kept for weeks. So today I'm trying it out on my salads for the week hope they keep them fresh. Wish me luck.
