This BLESSED My Heart, My Soul and My Spirit!!! I pray it BLESSES yours as well ❤️

You've all been to the stadium and seen the athletes race. Everyone runs; one wins. Run to win. All good athletes train hard. They do it for a gold medal that tarnishes and fades. You're after one that's gold eternally.

I don't know about you, but I'm running hard for the finish line. I'm giving it everything I've got. No lazy living for me! I'm staying alert and in top condition. I'm not going to get caught napping, telling everyone else all about it and then missing out myself.

1 Corinthians 9:24-27 (Message)

I often would deliver unscripted safety messages to my employees about remaining safe during inclement weather before retiring as district supervisor with Frito Lay Inc. I'm sure they often felt as though my messages were redundant and only another safety first work related thing, but my messages were sincere and genuine due to loved ones having an expectation of them returning home safely.  
My carbon copy message is for my FBp and family to remain safe while providing during this inclement weather. You have loved ones with an expectation of you returning home safely.

My Young Living family is amazing. ❤️ I have received so much help from them the last two days. From pm's to texts and phone calls, there are many who are going through exactly what I am and their outpouring of help has been phenomenal from oils to CBD. Big thanks to **Danza** and **Sarah** for their help and the new friends I have made. We are taking a natural and holistic approach to medication for mom, and the combined knowledge is beyond what I could have EVER asked for. It takes a tribe of friends and I have some wonderful ones!! ❤️🙏❤️

I met her when I was a child myself, who would have thought that a friendship that my Mother had with her would turn into a gift for me and My Family. We (my sister and me) welcomed her and Warzell Baker's 4 small kids and loved them like they were our OWN! We HAVE HISTORY!! She along with others pushed me to be better, she was an extension of my Mother, a piece of her that I could hold onto after she passed. We shared FAMILY! Not just LOVE but time, we went on trips together... See More

Where do I sign up for winter survival training 101 because I really failed this one. Was not prepared at all. The only place in my house that was warm was under my 6 blankets and I dare not move an inch.
