I may have screwed up as a girlfriend, as a mother, a daughter, sister or as a friend because I don't always say or do the "right things". I'm spirited, I have a smart mouth, I have a hot temper, I have secrets, I have pain, I have scars because I have a history. Some people love me, some like me, and some people don't. I have done good in my life. I have done badly in my life. I have wasted a lot on things and people not deserving of my time. I've been fooled, bullshitted, used, manipulated and hurt. I've trusted, believed and given 2nd, 3rd & 4th chances. I feel invincible one minute and stupid and unworthy the next. I go without makeup and I don't get dressed up half the time. I am random, I am passionate and I am silly. I have learned & grown. I won't pretend to be someone I am not. I am who I am, you can love me or not. But if I love you, I will do it with my whole heart, and I will make no apologies for the way I am. I AM ME!!! And I really like me 🥰 And Jesus loves me! And I thank God for that daily!

Ladies, I dare you to put this on your status, with a picture of yourself, If you're proud to be who you are. ❤️

Some days I am amazed I've been able to keep this place up but then I realize it's going to more difficult as I get older. Until then, I love sharing my pictures of how beautiful and peaceful it is here. ❤️

I was exhausted physically and emotionally...our family had walked through cancer, I was diagnosed with bells palsy, over worked, over volunteered, our 3 boys were growing fast, we were losing people we loved. It propelled me to step up and make changes I could LIVE with, long term.

This community was different than the gyms I had spent hours in... it was about people and mindset in addition to food/fitness... it changed the way I addressed our health; mentally and physically.

And yes they are REAL and FUN! (Requirements for us)
 Do you want to feel equipped in your own health?
 Want solutions not magic?
 What if it enhanced your lifestyle and didn't feel like a chore?
 What is you connected with people who lifted you up to do it?
 What if.....

If you can respond "yes" to any of those.. let's talk NOW! Drop a "lets chat" or PM me! 🗨️🗨️🗨️

I just received this email. You never know who's watching you! What an honor! You are receiving this award because you have been nominated for a Golden Apple Award. This one specifically is the "Calmer of the Sea" Award. High School can be a tumultuous time for students. The pace is chaotic and frenzied. In the midst of the storm you are one of the people that "calms the water." Thank you for being a voice of calm and reason.
