I tried a grilling trick. Take half an onion and rub it on the grill rack to clean. Then start the grill to warm for a couple of minutes, take the brush and clean it off. So easy! The smell was amazing too. Essence of grilled onion. I couldn't get the food on fast enough.

It was too hot to cook dinner inside so we grilled. Roasted roots seasoned with Epicure Greek seasoning, salmon, with fruit and scratch biscuits. The jelly is mulled crabapple. Enjoy!

Every since I was a kid growing up in Texas we've ALWAYS celebrated #juneteenth . We also knew what it meant to our mother's, fathers, grandmothers and grandfathers. There were 14 Republicans who voted not to observe this day as a National holiday. My question is WHY? WHY?

Today marks four years that you transitioned from earth to eternal rest. Lord please help me make it through this day without crying too much!! I miss my mama so much! Hug your mama a little longer, don't rush off the phone or shorten your visits because mine is no longer here and I can't see her face, touch her with my hands, hear her voice or visit her here in the physical sense. And it's hard. Our bond was so special and this isn't getting any easier! I LOVE YOU MAMA! #HerOnlyDaughter #MamasGirl #FourBoysOneGirl #MyAngel #MissingMyMama #INeedYouLordJesus

so, yesterday evening I rode home in a rainstorm ... no, no NOT a sprinkle, a red rain flash flood and it's not something I want to revisit. I could hear the people in every car that passed me saying "OH THAT WOULD SUCK!" and it did indeed. I tried to show you how soaked I was but the picture doesn't display soaked boots and socks and undies. the worst part was when a car drove through the "ravines" of rainwater on the streets and doused me with a new layer of water, mud, and o...
