U Dig... 🤔👉

Life changes. You lose love. You lose friends. You lose pieces of yourself that you never imagined would be gone. And then, without you even realizing it, these pieces come back. New love enters. Better friends come along. And a stronger, wiser you is staring back in the mirror.

If you use your stimulus money to buy baby chicks, then you got the money for nothing and the chicks for free. I was in Dire Straits to come up with this one...

For the Black men my love cannot protect,  
you are radiant. Your eloquence is the gun  
they swear you have when they shoot.  
The speed of your tongue is justification to stand their ground. As the bullet  
penetrates the tissue, I buy stock in tissue because these tears won't stop.  
Your tomorrow ain't promised, So today I tell you I love you.  
I feel you don't hear that enough.  
Bias and corrupt media, heartless politicians along with many others with  
power relish the opportunity to scream you are inadequate without reason,  
but you are more than enough!  
They say there is no warmth  
like the warmth of a mother's arms.  
Her love, a burning passion for your survival.  
But what does that warmth do for the cold body she caresses? When you  
make it to your 21st birthday, please celebrate to no end, for this is a  
milestone and major life event that many races wouldn't understand.  
I pray you'll make it to the end of this year and I hope you remember this  
letter, For we can no longer endure the pain of counting the number of  
fatalities, and I cannot claim your body in the morgue due to the possibilities  
of my cold body lying right next to yours. 🥺  
Happy Birthday And R.I.P. Ahmaud Arbery 🙏

Theses are my sons in whom I am well pleased. I decree and declare that no weapon formed against them shall prosper! I cancel every assignment of the enemy! I break every curse! I plead the Blood of Jesus over them! They shall live and not die and declare the Works of The Lord! In Jesus Name. Amen 🙏

I challenge you to tell the devil that he can't have our young men by posting a pic and making your declaration! Our words have power!

Let's pray for our men! Enough is enough

Wow! My boys get a standing ovation from me! They were up until almost midnight last night getting things ready. Then, woke up early to start my morning coffee, breakfast, and fresh squeezed oj (for a mimosa). They let me relax and watch Sunday Morning (my fav weekend show). Aksel made a great egg and sausage breakfast. Once I walked into the living room, they sang a song they wrote for me, showed off the banner and pictures they created and even threw confetti all over me. T... See More

Today is bittersweet but I embrace it with love and reflections for our Queen, Mrs. Esther J. Perry, my beautiful Mother ❤️. Not a day goes by that I don't miss talking to her, listening to her wise counsel, her sense of humor, and our direct dialogue. The thing I loved about my Mom is she would always keep it real, even when we didn't always agree. I knew the sacrifices she made for us and how much she loved us ❤️! Rest well my Queen, as you are no longer burdened with the cares of this world. You are home with the Lord and that gives me peace ❤️. Thinking of my Mom, my grandmothers, and the incredible legacy they have left on our lives. Thank you, Esther, Ruby, Mae Dora, and Alma ❤️. Your our Queens whom we shall never forget ❤️🥹. Happy Mother's Day to all Mothers!! May God bless you ❤️🥹
