**Some of us brag about what we have, what we've accomplished. It's amazing how we can have so much fortune and do all of these great things by ourselves and never mention God while we're bragging. Please let me in on how you accomplish all of these great things without him
Ms. Superwoman and Mr. Superman.
From Clyde Boyd**

Kevin Durant you are class and a true MVP. I was very moved by your speech and how you thanked each of your team members and especially the story of what your mother sacrificed for you and your brother. I saw him in tears for his opportunity to play the game he loves. All the other superstars could learn from him how to let your actions speak for you. True MVP- From Tim King
