25yrs ago today I witnessed the most amazing thing in my life , the birth of my daughter . For 9mths I had wondered what she would look like and they took her out of her mom and handed her to me , as I looked into her face nothing else in the world mattered anymore . I had held babies before but never one that was mine , that was 100 percent dependent on me to take care of her . I was terrified , I felt so unworthy . I knew this was " real " and wasn't sure I could do . I ne... [See More](#)

I ask prayers for my old friend gene Hester and his family . They lost a dad , husband , grand farther and friend this morning . I have many great memories with this family when I was a teenager and I hate to see them hurting

Take back the one life you were given.  
Join us as we journey online together, finally conquering this vicious cycle -  
without ridiculous fads/diets/starvation and start loving yourself well with  
those who will support you.  
YOU CAN.

I'd love to make some new friends and share what really works for all those  
excuses.  
Who wants in --- join us by Monday you can qualify for free enrollment and

My people are "on the go", they enjoy a cocktail on occasion, they love taco nights and on occasion they love to gather for added fun and parties etc..

But... the best thing we know and are learning I was reminded of today at church...

**WE ARE VALUED AND WORTHY.**

So why do I hear this E V E R Y D A Y ????

I'll start Monday  
 Let me ask my "spouse"  
 It won't work for me  
 I'll start next month  
 I've tried it all  
 I have too much going on  
 You couldn't understand  
 I can't add another thing  
 I can't afford it  
 I don't have time  
 Life is crazy  
 I have kids what???? 🤔🤔🤔🤔

I'll start after the holidays  
 God doesn't really care about what I eat  
 I'm not ready  
 I don't care  
 I like beer and nachos, so....  
 People who do all "that" are nuts

I said so much of it and it's C R A P. So let's just call it like it is.  
 Whether its' one or a thousand times...You'll notice excuses get you nowhere FAST!

If not addressed, the cycle of those excuses continues day after day - week after week - year after year. A whole lifetime spent making excuses, giving in, feeling guilty, resolving to do better, not sticking to our resolve, feeling like a failure, and then resigning ourselves to the fact that things can't change!!

🙏

**IT'S JUST NOT TRUE.**

**YOU ARE VALUED AND WORTHY. ❤️**

 **Kevin Weeks** 5 mins

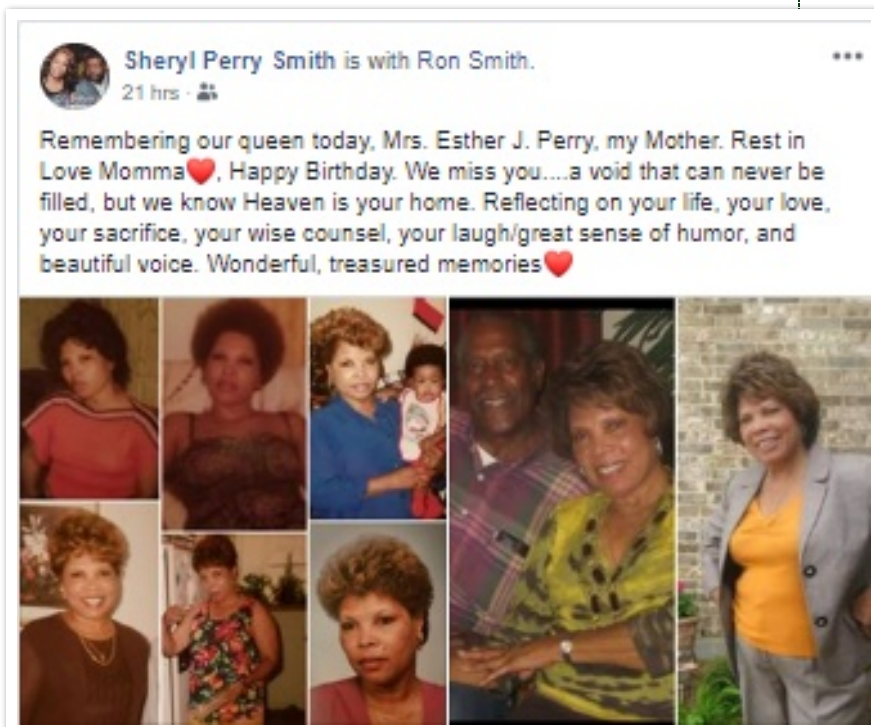

**Unspoken prayers**

**Thank you God for blessing me with another year of life and the best ever family and friends. Truly blessed.**
