Taree Dobbins-Daigle celebrated a birthday September 23rd

I recently passed a mirror and thought "who is that old, tired looking woman?"..... OH MY GOD..... IT'S ME! Where did youth and beauty go? When did I become old and tired looking? I'm not ready to be "old" and staring 50 in the face. I shake my fist (very dramatically) at you "50" (ok a LITTLE over 3 years from now) and swear that you won't take me w/o a fight..... Tired now, think I'll go lay down.....-Sherri Earhart Ware – September 23rd

Just got in been hell of a day...followed up on two jobs first thing to punch out and get paid...rolled up on one job found employee with head up his ass it's been a reoccurring event...talked with two other customers to get scheduled...met with ADT to secure home and shop...reflected on employee who has repeatedly stuck his head up his own ass...said hell with it and went and played golf...now I'm home just read longview news journal...21 year old paid twenty thousand for third breast another dumbass poured gas over himself and house arrested before lighting up another punk soliciting a 14 year old.....we need to issue hunting licenses for stupid assess.....what a stress reliever it would be because I sucked at the golf course! -Blakely Bates – September 23rd
