Unbelievable! The cart driver transporting 4 people was looking at her phone as I was walking straight toward them. Luckily she finally peered up. Almost needed Blake Charles Erskine Jr. on a retainer

definition of talent:
getting the point of the umbrella in your right hand crossed over and stuck in your left pant leg cuff, tripping over the shaft and flying out of your shoe..(in front of high schoolers no less)

This is soooo stupid. If you think Taco Bell is great -trust me you do not know what you are missing. Texas has the best Mexican and TexMex restaurants.

Prayers for all the people on the coast right now. My aunt and uncle have a house in Newbern on the Neuse River. I know that they evacuated, but just hope that they have a house to come back to. They have a seawall, however, 10+ ft. storm surge and over 25" of rain might be too much for it and their house. 🙏
