Meet Rita Raspberry!

Meet Rita Raspberry!

A Longview original, Rita graduated wearing Lobo green in 1986. She pursued an Office Specialist certification from Draughn Business School subsequently working for Billy Ray Martin. Taking her office skills to a sweeter place, Rita became the receptionist for Kennedy Gourmet, a local candy maker! After eleven years of satisfying numerous sugar cravings for the East Texas community, Rita changed course working for Dana Incorporated as a welder.

After ten years of throwing sparks Rita had to move on due to Dana Inc. closing its doors. The company paid for its employees to further their education and Rita did just that enrolling in Kilgore College's Office Specialist program.

After earning her degree she put her skills to work manning the front desk for the Diagnostic Clinic. In April 2017, Rita became part of the GCDA family as the face and voice of the office. The first person folks see or talk to when they enter or call the office, we're fortunate Rita helps put our best foot forward.

When she's not answering phones, copying videos and shuffling through myriad of requests, Rita enjoys spending time with her husband, handsome son and two beautiful daughters. Whether she's traveling to sites yet seen or finding great sales at her favorite shopping establishments, Rita always comes to work on Monday with a bright smile and warm disposition. A great addition to the team we can't wait for the many years of service to come with Rita by our side!
